

Comfort® Anti-fatigue

Anti-fatigue Mats • Indoor

The anti-fatigue mat concept is specially designed for safety, comfort and protection in areas where people stand for prolonged periods.

- Manufactured from premium quality nitrile rubber
- Water resistant, resilient to impact and easy to clean on site by hosing or through industrial laundry process
- Impervious to chemicals and oil based products
- Reduces leg fatigue and noise
- Smart trade off between support and thickness
- Anti-static properties

Comfort® Anti-fatigue
