

Anchor Safe Roll Goods

Specialty Mats • Indoor

Anchor Safe Roll Goods is a low-profile, anti-microbial matting with adhesive backing to ensure it stays in place. It is recommended for commercial use on hard floor surfaces to help prevent slips, trips, and falls caused by moisture.

- AnchorSafe™ Adhesive backing system keeps the mat flat and in place even with extreme traffic.
- Adhesive backing system with moisture barrier keeps liquids from soaking through to the floor.
- Very low profile reduces tripping hazard.
- Highly absorbant, keeps floors clean and safe.
- Quick and easy to install.
- Will perform up to 3 months under normal use.
