

Micromix™

Entrance Mats • Indoor

The Micromix Tufted cut pile absorbs more dirt and moisture than typical cotton and microfiber fabrics.

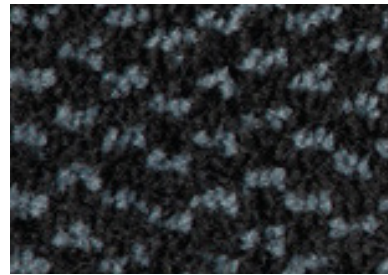

- The ideal mat for laundries and end users.
- Micromix retains its appearance better than a cotton or Microfibre mat.
- Micromix dries quicker than a cotton mat yet.
- Micromix™ mats are manufactured in the UK and are produced with phthalate free rubber and incorporate 34% recycled nitrile rubber content to further reduce the impact on the environment.
- ECONYL® regenerated nylon is better when it comes to climate change by reducing the global warming impact of nylon by up to 90% compared with the material from oil.
